No.2569-F/38-1.

Station Madras., *Dated the* 9th September, 1938.

From (Name) Diwan Bahadur Dr.B.Sundara Raj, M.A., Ph.D
(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,
DEVELOPMENT Department.

Sir, Ph 8-9 b (S)

Ref:G.O.No.Ms.133 Development dated 16th January 1937.
Ph 15 b (S) —Government Memorandum No.4306-I/37-1 dated 11-12-37.

Ph 8-9 b (S)

In G.O.No.Ms.133 Development dated 16th January, 1937 the Government expressed their doubt about the necessity for constructing all the buildings at once for shifting the Hungarcutta fish-curing yard from its present site. Since then two temporary store-sheds at a cost of Rs 450/- to accmodate 1600 to 1920 bags of salt have been constructed. Thes sheds are on the site proposed to be acquired for the extension of the yard and it is reported that they are likely

2

to stay in good condition for some years. It is not therefore now necessary to replace these sheds by permanent store sheds at a cost of Rs 2000/- estimated in my letter No.3177F/37-1 dated 26th November 1937 to Government disposed of in Government Memorandum No.4306-I/37-1 Development dated 11-12-37.

2. It is also understood that the erosion of the sea, this year has not been so violent as it was during the previous year and possibly sea erosions may not affect the yard further. So it seems better to wait and see for some time more before deciding to demolish the existing combined guard and store-shed.

3. What is now required, therefore, is the acquisition of the site for the extension to be used as drying ground and also for reconstructing the curing sheds that have been washed away by the sea. The Assistant Director of Fisheries (Coast) has already addressed the Collector of South Kanara for the valuation statement of the plots to be acquired and the Assistant Director of Fisheries requests that a provision of Rs 7500/- may be made in the Budget Estimate for 1939-40 for the acquisition of the site. In the circumstances, I have the honour to request that this proposal may kindly be considered as a Part II scheme for 1939-40. A more accurate estimate of the amount required for acquiring the site will be furnished when the valuation statement called for from the Collector is received.

I have the honour to be,
Sir,
Your most obedient servant,

B. Sivaram Karanth

Director of Fisheries.

From (Name) Diwan Bahadur Dr. B.Sundara Raj, M.A.,Ph.D.,
(Designation) Director of Fisheries.

To The Secretary to the Government of Madras,
Development Department.

Sir,

In continuation of my letter No. 2569-F/38-1 dated 9-9-1938 I enclose herewith a copy of letter D.Dis. 1495/38 dated 2-9-1938 from the Collector of South Kanara to the Assistant Director of Fisheries (Coast), Calicut, with the sketch, adangal extract and preliminary valuation statement (in original) of the site proposed to be acquired. I request that instead of a provision of Rs.7,500/- suggested in my letter dated 9-9-1938 a sum of Rs.3,600/- only may be included in the Budget Estimate for 1939-40.

I have the honour to be,
Sir,
Your most obedient servant,
G.R Mateswara Pillai
for Director of Fisheries.

P.T.O.

Copy of letter D.Dis. 1493/38 dated 2nd September 1938 from the Collector of South Kanara, to the Assistant Director of Fisheries (Coast), Calicut.

I enclose herein a copy of the Revenue sketch of the concerned plots of Kodi village, adangal extract and preliminary valuation statement. The cost of acquisition of these 6 plots with improvements according to the Preliminary valuation is Rs.3,626 inround figures, which includes the usual 15% solatium.

Subject - Fish curing yard, Hungarcatta - Acquisition of site - Drying ground.

fn 1 2 (From the D.F No 2569-F/38 dt 9.9.38
fn 3 (From the D.F No 2569-F/38, dt 20.9.38

To A.S.

Please see the D.F's letter at fn 1-3 ct. The proposal is to acquire land at a cost of Rs 3600/- for providing drying ground for the fish curing yard at Hungarcatta. The proposal need not be treated as a Part-II scheme.

A/

fn 1 & Pp 133 Dev (2) 1937

2. In December 1936, the D. reported that the fish curing yard at Hungarcatta was damaged by sea erosion and the yard had practically no drying ground, and contemplated proposal for shifting the yard at a cost of Rs 13415, out of which Rs 6940 represented the cost of acquisition of land. He also reported that the Cranes pleaded inability to repay the cost of

fn 3 & (3)

see fn 2 (4)

shifting the yard. The Govt refused to exempt the Cuners from payment of Cost of shifting the yard, but observed that an endeavour should be made to secure a cheaper rate if the Cuners agreed to repay the Cost. As the Cuners subsequently agreed to repay the Cost, the D. F. selected a new site and re-estimated the Cost of shifting the yard at Rs. 11,739 out of which Rs 7439 represented the Cost of acquisition of land, and enquired whether he could submit detailed estimates and plans. The D. F. was informed that asked to submit detailed proposals for consideration in connection with the B. E for 1939-40.

3. The D. F. now states that the two temporary sheds have been constructed on the site proposed to be acquired and that there is no need at present to demolish the present combined guard and store shed as the sea erosion may not affect the yard further. His present proposal is to

acquire land at a cost of Rs. 3600 for use as drying ground for the yard.

4. The cost involved in the acquisition of land is recoverable from the owners by means of cess. The expenditure is therefore debitable to "49. Miscellaneous Loans and advances - D. Loans relating to the Fisheries Dept. - Advances to fish curers for Smoke Sheds" If the D.F's proposal is sanctioned, a provision of Rs. 3600/- will have to be made in the B.E. for 1938-40 under the above head

5. The case may be sent to the Fin. Dept. for acceptance of the D.F's proposal.

			RS.		RS.
Loans and Advances bearing Interest—g. Miscellaneous Loans and Advances—D. Loans relating to the Fisheries Department.	Cost of acquisition of land . . .	..	3,600	..	3,600
		..	3,600	..	3,600

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

In December 1936, the Director of Fisheries reported that the fish-curing yard at Hungarcutta was damaged by erosion of the sea and that the yard had practically no drying ground. He proposed that the yard should be shifted at a cost of Rs. 13,415 including the cost of acquisition of land estimated at Rs. 6,940. No action was however taken as it was reported that the curers expressed their inability to repay the cost of shifting the yard. The curers have now agreed to bear the cost. A cheaper site has also been secured. It is estimated to cost Rs. 3,600. The Director does not propose any buildings just at present as he considers that the two temporary sheds which have already been put up on the proposed site will be good enough for some years and that there is not now the same urgency for demolishing the present combined guard and store shed. As there is no drying ground for the yard and as a cheaper site has been secured, this department recommends the inclusion of a provision of Rs. 3,600 in the estimates of 1939–40.

C.J.Paul. —20-10-38.

NOTE BY THE FINANCE DEPARTMENT.

The proposal may be considered as a Part II Scheme for 1939–40.

C. E. JONES—23-10-38.

Dev. Dept.

To A.S.

Provision has been included in the B.E. for 1939-40 for the above scheme. A draft order is submitted for approval. It may issue (after the voting of budget) on 1.4.39
